Ned says there shouldn’t be now that Alexis is involved with his brother. She says she’ll marry him on one condition. She wants it to be a marriage of convenience so there are no expectations. Ric doesn’t accept that. He explains that he lived in a house where his father and stepmother were polite with each other. He doesn’t want Kristina living like that. He thinks they can build on something real. They talk about their childhoods and how they tried to excel outside their unhappy homes. Alexis starts to cry and say how terrified she is. Ric tells her she isn’t alone – that they have each other. Ric kisses her and she says she’ll marry him without conditions. Sonny arrives at the hospital and tells Steven he needs to be tested as a donor. Jason and Courtney arrive just in time to hear it. Jason realizes Alexis was about to tell him but then didn’t. Mike arrives and is in disbelief – Viola takes Kristina to Kelly’s a lot and he thinks Kristina is as cute as a button.
